

Slika 1: 3D funkcija

A 3D wireframe plot of the function $\frac{\sin r}{r}$. The surface is a central peak with a circular ridge, colored with a gradient from blue at the base to magenta at the peak. The plot is shown from an isometric perspective.

$$\frac{\sin r}{r}$$

Slika 2: 3D funkcija

A 3D wireframe plot of the function $\sin x + y^2$. The surface shows a periodic wave along the x-axis, with a parabolic shape in the y-direction. The plot is colored with a gradient from blue to magenta. The plot is shown from an isometric perspective.

$$\sin x + y^2$$
